About 3:

Hutchison 3G Austria GmbH started in May 2003 with the brand 3 as first sole UMTS-provider in Austria and allocated comprehensive HSPA+ to the 3customers within the **3MegaNetwork 4G with 94 % network coverage**. Hence mobile broadband access is provided not only in urban but also rural areas. 2012 LTE is going to provide transmission rates up to 100 MBit/s in the network. 3 offers the classic ways of communication (voice calling, SMS and MMS), mobile broadband and in addition provides multimedia products such as mobile television, music, video calling on the UMTS-handset. 3 is the only Austrian mobile provider, which offers its own application store for various mobiles. Furthermore 3 provides 50 over mobile TV- and radio channels on 3mobiles as well as on 3data modems. Hutchison 3G Austria GmbH counts 1.222 million customers (as per August 2011), 30.2 million customers worldwide (as per August 2011), and operates besides Austria in UK, Italy, Denmark, Sweden, Ireland, Australia, Hong Kong and Macau. Hutchison 3G Austria GmbH is wholly owned by Hutchison Whampoa Limited in Hong Kong.
