## About Drei

Hutchison Drei Austria GmbH is a 100% subsidiary of CK Hutchison Holdings Limited (Hong Kong) and part of the 3Group Europe's division "3Scandinavia & Austria". By the end of December 2020, Drei achieved a total interim revenue of 850 million euros with about 3.7 million customers. As a leading Austrian telecommunications provider the company offers mobile communication, internet, fixed line, TV and business solutions from a single source. Next to the biggest network of branded stores by an Austrian telecommunications provider and an encompassing customer service for residential and business customers, Drei provides the densest 4G network with a 98% coverage in population. In June 2019 Drei launched Austria's first, real, comprehensive 5G network in Linz.
